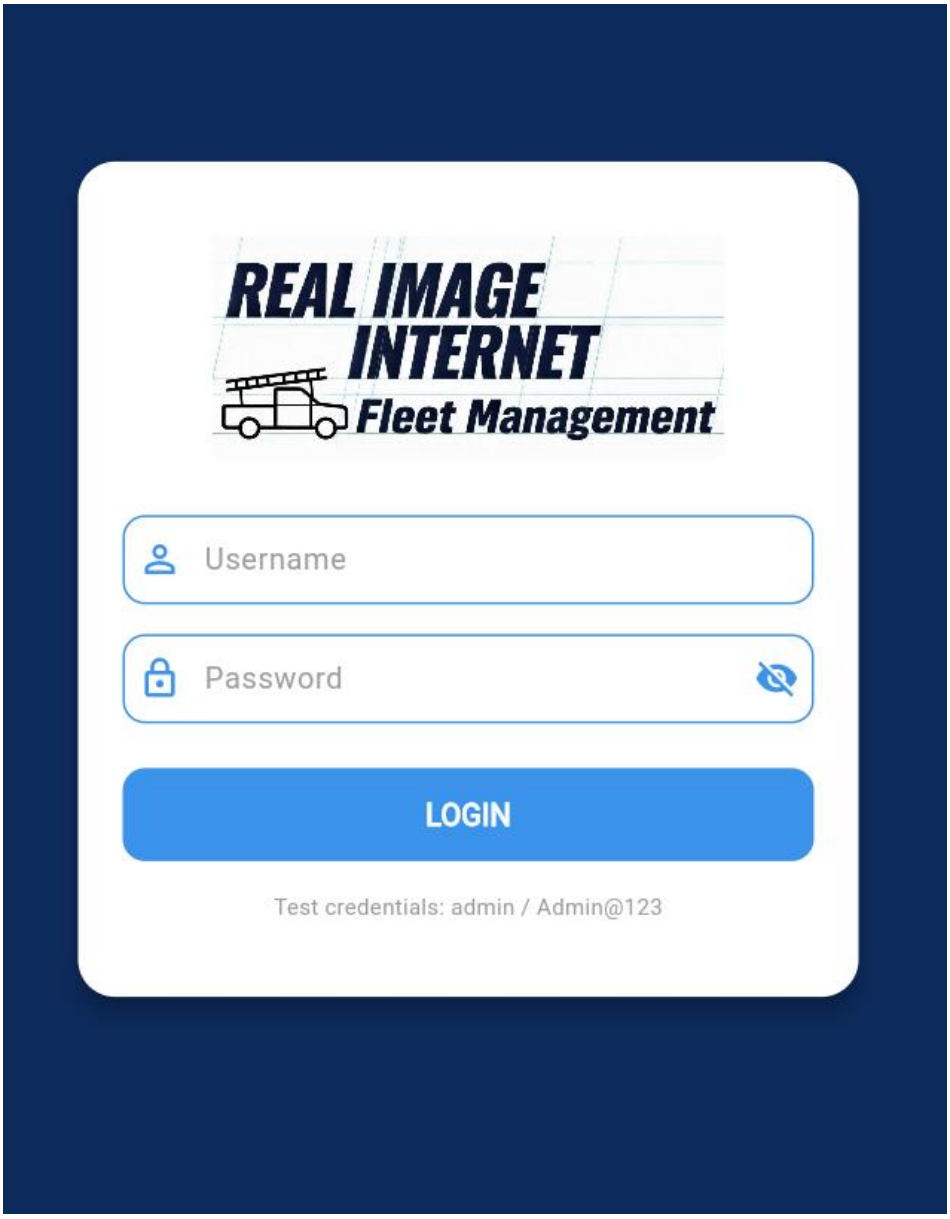
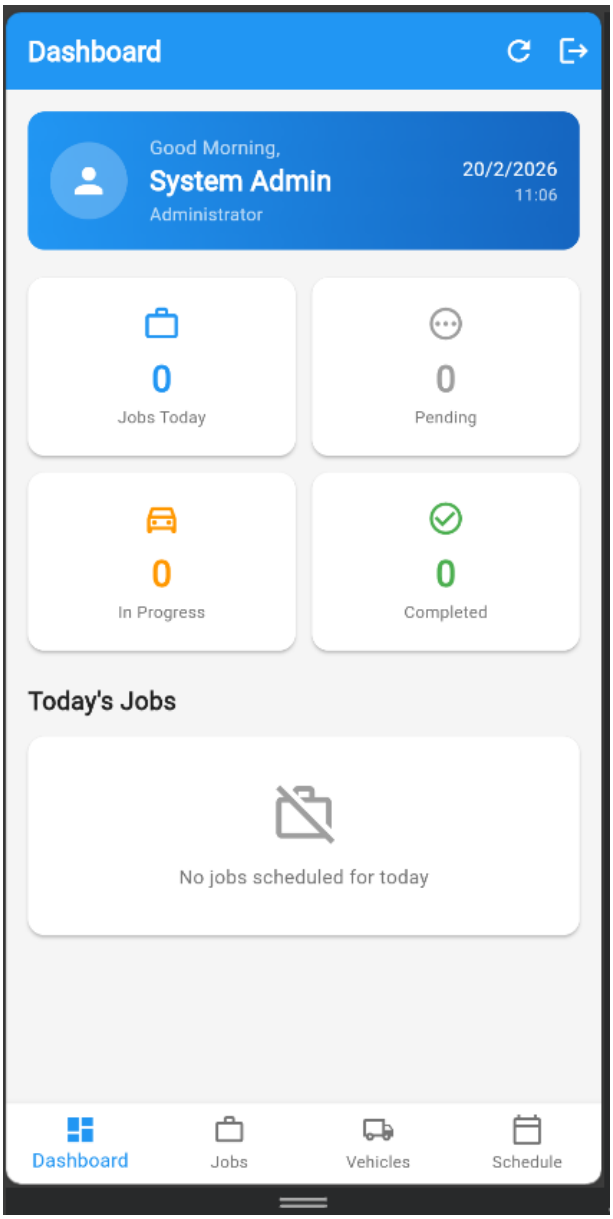
REAL IMAGE INTERNET
Fleet Management

1. This is the login page, I have designed the logo, if here any inputs please show?



2. This is the dash-board, it shows Jobs available for that day. The logged in user. The dashboard shows statistics for that particular day.



3. The jobs panel show jobs that are pending, assigned, in-progress, completed and cancelled. The new job button opens a form to add a new job and assign vehicles
